Dear Ms. Threatt:

The Division of Oil, Gas and Mining is in receipt of your letter dated September 3, 1982 relative to a request for release of the above-referenced bond. At this time, the bond may not be released until the Division has a replacement bond posted by the successor company, AMAX Specialty Metals Corporation.

When this has been accomplished, you will be notified and the above bond may be released. I apologize for the delay in responding to your request, but apparently our change in address resulted in late delivery.

Sincerely,

JAMES W. SMITH, JR.
